

## Gathering 12.-18.06.2022 near Tarragona

Dear friend of the Tantric Community Spain,

it is time, more than ever, to refocus our energies for a common future, for a meaningful life in a tantric community. We will review the contents of our vision and their concrete realizations, redefining those points which need to be adapted.

We invite all of you: Newcomers as well as long time friends and core group members for a time together to connect, share and celebrate.

We will live together as community for one week preparing our food, having sharing circles, working groups about our vision and concrete projects, deepening in meditations, exchanging massages, yoga, dance, shamanic and tantric rituals and whatever you would like to contribute.

Venue: La Casa Dorada (https://www.lacasadorada.eu)
Nearest airport is Barcelona (only 60km away)

A retreat centre with group room, swimming pool, sauna and beautiful outdoor areas. The sea is only 7 minutes walking distance away. It's a place for wonderful shared experiences where we can gather new strength and confidence to bring it into action.

The gathering will take place with a minimum of 8 participants.

Cost: 45€ per person / night plus the cost for food. Please contact Petra asap via whatsapp 0041 791945109 to reserve your spot.

We're very much looking forward to meeting you!

With Love and Joy, Petra & Utchi
